

MEMO

To: AACCS School Administrators and State Executive Directors

From: Dr. Charles Walker,
AACCS Executive Director

Revision of the *National Competition Manual*

The AACCS National Competition Rule Revision Committee is now accepting recommendations for rule revisions and/or additions to the 2010 National Competition Manual—*Handbook of Rules for National Competition in Bible, Music, Speech, Art, and Academics*. The deadline for submitting rule changes is April 30, 2009.

Use the *AACCS National Competition Rule Change Form* located on the reverse side of this page to submit rule changes. Duplicate this form if more than one rule change is proposed. Please, only one rule change per *Rule Change Form*. If additional space is needed, write on the back side of the duplicated *Rule Change Form*. In addition, a place exists on this form to submit a new category proposal and the rationale for adding the new category.

In proposing rule additions, deletions, and modifications, please follow the subsequent steps:

1. Submit a printed draft of the rule(s) additions, deletions, or modifications on the *Rule Change Form* or a computer facsimile exactly as the submitter wants the “revised” or “new” rule to read in the 2010 Competition Manual.
2. State the rationale for each rule change—additions, deletions, or modifications—and for proposed new categories. The rationale statement *must* accompany the detailed rule change proposal.
3. List the school address and telephone number, as well as the home number of the person who drafted the rule change. In addition, the submitter must sign the *Rule Change Form*.
4. Submit proposed changes to the AACCS National/Education Office, 602 Belvoir Avenue, East Ridge, TN 37412; Attention: Dr. Charles Walker. (A duplicate copy of all proposals must be sent to the state executive director’s office.)

The revised 2010 Competition Manual will be available for purchase in April 2010; rule changes will go into effect for the 2010-2011 school year.
