- **To use the DataManager website to print your own reports, select one of the first three scoring options listed for each grade level.**
- To request the AACCS to print the reports for you, select one of the other options for each grade level. See page 5 for the list of printed reports included in each package.
- All schools have access to the DataManager website, including schools that request the AACCS to print reports.
- All prices on this form are per student. Additional fees may apply if documents are not properly completed.
- Do not send payment with this form. An invoice will be sent.
- Shipping charges will be added for orders involving AACCS-printed reports. No shipping charges are added for scoring services only.
- Complete this form and the Test Coordinator Check List and return both with the machine-scorable booklets (for grades K5-2) and the machine-scorable answer folders (for grades 3–12). Keep a copy of this form for your records. All test booklets and answer folders must be included in one shipment to prevent delays in processing. If more than one box is needed, label all boxes sequentially (i.e. 1 of 3, 2 of 3, 3 of 3, etc.). Place this order form on the top of your materials in box 1.
