"I have been influenced by those around me and have been letting time slip by without having any impact. I am now going to live completely dedicated to serving God and looking only to please Him."
—Student

"Today the Lord really dealt with me about my silence meaning approval to others. Thank you for impacting not only our students but me as well."
—Teacher

"God has shown me that I get caught up in the crowd. I go with the flow. I need to be different and set a good and godly influence in both my youth group and Christian school."
