AMERICAN ASSOCIATION OF CHRISTIAN SCHOOLS

April 2009

WELCOME!

I want to welcome you to the 2009 Fine Arts Competition of the American Association of Christian Schools. You are to be congratulated on your wonderful achievement in your state that qualified you to compete at this level. All of us at AACCS are proud of you. I want to wish you the very best this week. Most of all, it is the desire of all of us that what we do and say here will bring glory to God and exalt Jesus Christ.

I know you will join me in your gratitude to Bob Jones University for their gracious hospitality to us. I want to encourage you to express your own appreciation to those in whose rooms you are staying and others who help you. They are going out of their way for us; "thank you" goes a long way. This is a good opportunity for you to make new friendships and to get to know others from across the country.

Please let us know of anything we can do to make your stay more enjoyable. Feel free to contact our AACCS personnel or the staff of BJU if you need any help.

Sincerely in His service,

DRESS AND CONDUCT CODE

The AACS feels that AACS National Competition should have the highest standards of competition and Christian testimony. Therefore, because this event is the highest level of competition for AACS students in the nation, all participating students and adult sponsors are expected to display the utmost respect for and strict adherence to these standards. Failure to do so may result in disqualification. **The Dress and Conduct Code must be followed at all times—whether during a competition or apart from a competition, whether on campus or off campus.**

The Dress Code:

1. Girls' and ladies' skirts will be to the middle of the knee or longer, and necklines will not be exceedingly low or open in the front or back. No shorts may be worn outside the residence halls. Slacks may be worn for recreation at the Field House only.
2. Boys and men will wear neat shirts *with a collar*, tucked in, and dress slacks. Hair should be short—off the collar and ears, one inch above the eyebrows, tapered in the back, combed, with no long sideburns. No beards or mustaches will be permitted for students. *Jeans are not to be worn on the host campus.*
3. Shorts or tank tops are not allowed outside the residence halls. Sunbathing is not permitted anywhere on campus.
4. *Appropriate dress for the evening programs includes the following: Boys/men—dress slacks, dress shoes, dress shirt with collar, neck tie, and preferably with a sport coat or suit; Girls/ladies—Sunday-type dress outfit, dress shoes and hose.*

The Conduct Code:

1. The conduct of students is expected to meet the standard for believers in I Timothy 4:12. Patience, kindness, and good sportsmanship is the exemplary rule to follow at all times for all students, sponsors, parents, and visitors. Insubordination or disruptive behavior by any student, sponsor, parent, or visitor toward any judge(s) or competition official(s) will not be tolerated. Behavior which does not exemplify a Christian will be grounds for disqualification from competition and/or expulsion from the campus.
2. AACS participants are expected to abide by the same regulations as BJU students. Violating AACS or BJU disciplinary rules and regulations may result in disqualification from all events and/or disqualification from the following year's competition. The AACS National Competition Office will make the final decision in disciplinary situations.
3. Any individual or group practicing during AACS chapels or not attending chapel or other required services, will be disqualified from all events and/or disqualified from the following year's competition. The disqualification of one or more students for the following year's competition may be extended to the school.
4. Individuals or groups not attending the residence halls' evening prayer group will have their names and their school's name submitted to the AACS National Competition Office.
5. Any individual vandalizing or stealing the property of BJU or of a BJU student will be subject to disqualification and possible immediate expulsion from the campus at the individual's expense.
6. Inappropriate behavior during the chapel service or the evening programs could result in a school's disqualification from all events and/or disqualification from the following year's competition. This includes inappropriate behavior in response to the presentation of awards to groups and individual students during the Thursday night Awards Program. The result of such behavior can be the recall of presented awards and/or exclusion from the following year's competition.
7. AACS participants are to remain on campus at all times, unless under the supervision of an adult staff member from his/her school.

Teams must consult the listings and be present and ready to quiz at the posted times. Semi-final and final team pairings will also be posted at the competition rooms.

Bible Quizzing is a double-elimination tournament with each round producing a high winner, a low winner, and a loser. A team is eliminated after two losses. A typical game lasts about 20 minutes.

Quiz team sponsors must be aware at all times when the team is scheduled to quiz. Delays cause problems for later scheduling.

Category 3: Bible Memory

Thursday—Lecture A

8:30–10:30 a.m.

Bible Memory competition is conducted in the same manner as a spelling bee.

Round 1: The Master gives the reference; the contestant recites the verse.

Round 2: The Master gives the application statement of the verse; the contestant gives both the reference and the verse.

A contestant shall be permitted one error before his elimination. Upon commission of the second error, the contestant will be eliminated by the Master with confirmation of the judges.

If it becomes obvious that there will be no clear winner because the finalists continue to recite accurately all the verses and references, the Master will then require the finalists to **write out** verses and references chosen from the application outline list.

The first-, second-, and third–place winners will then be judged on the basis of the fewest errors on the entire written examination, which includes spelling and punctuation as well as the words of the verses.

With the exception of categories 9, 10, and 11, each contestant will take three one-hour tests. These three tests may be spread over the two days of competition. A proctor (judge) in charge will distribute the test to the contestants. When the test is completed, it is to be returned to the proctor, who will score it later. It is the contestant's responsibility to stay within the one-hour time limit per test.
