# Learn More

Online learning at Maranatha is more than a glorified correspondence course. It is rigorous, regionally accredited classes delivered to you or your students, wherever they are. You don't have to be online at a specific time of day, so you can schedule your day around your home, ministry, and other responsibilities.

# STATEMENT OF FAITH

The doctrinal statement of the American Association of Christian Schools is as follows:

We believe that the Bible, both the Old and New Testaments, was verbally inspired of God and is inerrant and is our only rule in matters of faith and practice. We believe in creation, not evolution; that man was created by the direct act of God and in the image of God. We believe that Adam and Eve, in yielding to the temptation of Satan, became fallen creatures. We believe that all men are born in sin. We believe in the Incarnation, the Virgin Birth, and the Deity of our Lord and Savior, Jesus Christ. We believe in the vicarious and substitutional atonement for the sins of mankind by the shedding of His blood on the cross. We believe in the resurrection of His body from the tomb, His ascension to Heaven, and that He is now our Advocate. We believe that He is personally coming again. We believe in His power to save men from sin. We believe in the necessity of the New Birth, and that this New Birth is through the regeneration of the Holy Spirit. We believe that salvation is by grace through faith, plus nothing minus nothing, in the atoning blood of our Lord and Savior, Jesus Christ.

We believe that this statement of faith is basic for Christian fellowship and that all born-again men and women who sincerely accept it and are separated from the world of apostasy and sin can and should live together in peace, and that it is their Christian duty to promote harmony among the Believers.

We further believe in the Biblical doctrine of ecclesiastical separation, and therefore believe that churches and Christian schools should not be associated with, members of, or in accord with organizations or movements such as the World Council of Churches, the National Council of Churches, the modern charismatic movement, or the ecumenical movement.

# PURPOSE AND PROFILE

## Purpose

The general purpose and objectives of the American Association of Christian Schools shall be the establishment, development, advancement, promotion, and protection of Christian school state associations, Christian schools in states without Christian school associations, and Christian education in America and worldwide.

## Profile

### **An Association of State Associations**

The heart of the AACS is the federation of state associations who work in harmony with the national association in providing member services. AACS is unique in that it has the strength of a national coalition of Bible-believing Christian schools with the practicality of locally controlled state associations.

### **Active Legislatively**

The AACS has historically been a voice for Christian education in Washington, DC. Today that purpose is carried on with even greater vigor. Protecting member schools from government entanglement, as well as promoting religious freedom, Christian education, and family values, continues to be the focus of the AACS legislative effort.

### **Committed to “Excellence in Education”**

High-quality Christian education is a primary goal of AACS member schools. Outstanding educational programs are offered by AACS to help member schools enrich their academic programs. These include school accreditation, teacher certification, achievement testing, and others. The AACS is dedicated to quality, innovation, and excellence in education.

### **Separated Morally and Theologically**

The AACS Doctrinal Statement is founded on the Word of God. Schools which affirm the doctrinal position and pay the necessary dues are eligible for membership. Membership in the AACS in no way infringes upon the autonomy of member schools.

**Membership will not be afforded to those associated with, members of, or in accord with the World Council of Churches, the National Council of Churches, the modern charismatic movement or the ecumenical movement.**

# AACS MEMBER BENEFITS

## Services

### **Legislative Representation**

The Washington Office staff works to ensure that the freedoms of Christian schools are maintained and protected.

### **School Accreditation**

# AACS Placement Service

The teacher placement service on the AACS website has been dramatically improved. This new service is customized to meet the placement needs of teachers and school administrators. Search features enable the job seeker to locate openings and allow schools to locate possible candidates.

**Each teacher** can create a profile to include name, location, contact information, photo, qualifications, and a resume. The fee for this service is just \$25 for a six-month period. During the six months, email notifications will be sent for job postings that match the teacher's profile.

**School administrators** can create a free account for their AACS member school. School profiles include all of the school's information and allow the school to manage available positions. When a possible candidate opens an account with details matching a school's open positions, the school will receive email notification.

Our placement service is designed to help **member schools** find needed staff members and to help **prospective staff members** find positions. We are excited that the AACS placement service is now more user-friendly, helping both **teachers and administrators**.

*This outstanding program promotes standards of excellence and is one means of improving the quality of programs offered by member schools.*

---

The American Association of Christian Schools offers its member schools one of the finest, most comprehensive accreditation programs available. Accreditation is a means whereby the AACCS can assist its member schools in the building of stronger Christian schools. Accreditation is voluntary; it is not an attempt to license or regulate. In order to be accredited, a school must state a philosophy of education that is in conformity with biblical standards, demonstrate that its program is in agreement with that philosophy, and meet certain standards that are generally acceptable to Christian educators. A school voluntarily enters accreditation and may withdraw at any time.

The concepts of being approved, seeking counsel, and performing a self-analysis are biblical. Such verses as Romans 12:17; II Corinthians 8:21; Romans 14:8, 18; Philippians 1:10; James 1:22-25; Proverbs 15:22; and others speak of these concepts. The Bible exhorts Christians to be self-governed with the aid of the Holy Spirit, and to seek wise counselors as they endeavor to gain in wisdom and stature. Counselors must be full of spiritual wisdom in order to give proper Biblical counsel. The process of accreditation strengthens a school through self-analysis and then provides the added benefit of wise counselors in the form of an evaluation committee. An accreditation program with ungodly evaluators and unscriptural standards would not be acceptable for the Christian school.

Every AACCS member school is encouraged to consider taking part in the AACCS Accreditation Program.

*The AACCS Professional Employee Certification Program provides objective standards for evaluating and recognizing the preparation of current and prospective professional employees.*

---

The Bible states that the Holy Spirit has given certain gifts to individual Christians for the purpose of ministering to the saints. Among these are the gifts of administration and teaching (Rom. 12:6-8, 1 Cor. 12:5-11; Eph. 4:11-16). The Christian school, if it is to maintain a reputation for academic excellence, must employ the services of teachers and administrators who are academically qualified to assume their teaching and administrative responsibilities. Proper professional training is a prerequisite to quality education.

Academic preparedness, as important as it is, does not take the place of, nor can it be a substitute for, the spiritual requirements of Christian school teachers and administrators. A balance of spiritual insight, dedication, and love, combined with the academic preparedness to meet the demands of the classroom, is an essential ingredient for excellence in the Christian school.

Teaching certificates are issued for the following categories:

- Preschool
- Kindergarten
- Elementary
- Secondary
- All-level
- Special Education
- Specialist
- Administrator

*AACS acts as a liaison between members of Congress and Christian Schools to ensure that our freedoms are maintained and protected.*

Maureen Van Den Berg  
Legislative Director  
Youth Legislative Training Coordinator

---

## **Our Purpose Legislatively**

1. To protect member schools from government entanglement.
2. To promote religious freedom, Christian education, and family values.
3. To influence legislation.
4. To inform legislators of concerns.
5. To promote Biblical answers for man's problems.

## **Our Program as Legislative Liaisons**

### **To stay informed**

1. Attend coalition and strategy meetings; attend congressional hearings, newsbriefings, educational lectures, and forums.
2. Maintain association with like-minded conservative groups.
3. Establish rapport with congressional staff members.
4. Listen to AACS concerns and ideas about legislation and regulation at the federal, state, and local levels.
5. Study and evaluate articles and legislation.

### **To inform our members**

1. Write weekly newsletters.
2. Alert members on key votes requiring immediate action.
3. Prepare Regional Legislative Directors for lobbying.
4. Organize and train "Minutemen" to strategically respond to key issues with timely action.
5. Train pastors, administrators, teachers, and students to meet their legislators, communicate concerns, and maintain effective relationships.

*The strength of our Christian faith tomorrow rests with the students we are preparing today.*

---

### **Preparing Students for Citizenship Involvement**

Each summer, AACS hosts the Youth Legislative Training Conference in Washington, D.C. This one-week conference gives high school students and recent graduates from member schools the opportunity to experience a microcosm of the political system through the prism of a biblical worldview.

The conference is designed to give students opportunities which will enhance their level of understanding of the American political system, as well as deepen their commitment to biblical integrity and character in leadership.

For the duration of the week, the students participate in a mock Senate. They meet with their Congressmen and attend a Congressional briefing designed just for them. Important lessons are gleaned from a wide variety of workshop speakers who give them practical insight into the workings of Washington. The students also have the privilege of touring significant historical sites in the area.

As important as it is for Christian teens to understand the political process, it is more significant that they understand the importance of character in every role of life, specifically a leadership role. By attending the conference, each student has the rare opportunity to interact with men and women in the political arena who are known as leaders of character.

For more information regarding the Youth Legislative Training Conference, please contact the AACS Legislative Office in Washington, D.C., at 202-547-2991.

*This website tool is designed to help member schools find needed staff members and prospective staff members find positions.*

### **AACS Placement Service—A Great Connection!**

The Web-based AACS Placement Service . . .

- Helps member schools to fill personnel needs more quickly and efficiently
- Helps individuals to locate service opportunities of interest quickly and efficiently
- Provides potential year-round contact activity, 24/7
- Permits participants to update their own account information anytime they wish
- Gives personnel needs or candidate information maximum exposure
- Provides college graduates opportunity for broader employment exposure
- Saves time by automatically matching school needs with candidate interests

The Placement Service is free to AACS member schools. There is a nominal fee for individual employment candidates.

*We invite your school to join the ACHS to advance the cause of Christian scholarship, leadership, character, and service.*

---

The American Christian Honor Society (ACHS) was founded by AACS in 1979 to honor qualified high school students in member schools and to be uniquely Christian in its emphasis. The American Christian Honor Society seeks to:

- Advance Christian Scholarship**
- Challenge Christian Leadership**
- Honor Christian Character**
- Stimulate Christian Service**

It is easy and inexpensive to begin a local ACHS chapter at an AACS member school. Request ACHS information from the AACS National Office, complete the membership application, and pay the initial registration fee. AACS will provide the school with the ACHS manual and other support materials. Supplies such as certificates, pins, year guards, and medallions are also available. Each chapter is required to abide by the bylaws of the American Christian Honor Society.

You are invited to begin a local ACHS chapter in your school and join the more than two hundred schools that make up the ACHS family.

*AACS National Competition is the platform for training tomorrow's leaders to achieve excellence in ministry.*

---

### **National Bible, Music, Speech, Art, and Academic Competition**

Each year state and regional high school winners compete for national honors. Competition is held in 74 categories in five major areas: Bible, Academics, Music, Speech, and Art. First-, second-, and third-place winners are recognized in the closing ceremony of the national competition. The AACS Cup of Excellence is presented to the state association that accumulates the most points (three points for each first place, two points for each second place, and one point for each third-place rating).

One of the highlights is the preaching by a guest speaker in the services; these are times when many students make spiritual decisions that will impact their lives for years to come. The importance of the AACS National Competition is that approximately 3,000 young people are striving for personal excellence while developing stronger Christian character in their lives. The purpose of the AACS National Competition in the various stages of guided preparation and practice is for students to receive a professional critique while being carefully nurtured for ministry.

This event is the largest event sponsored by the American Association of Christian Schools. Schools desiring to participate on the state level should contact their state association office for complete details.

*Your school can receive valuable discounts on test materials when you participate in this nationally standardized achievement and school ability testing program.*

---

### **Achievement Testing Program**

The AACS uses the **Stanford Achievement Test** (SAT 10) and the **Otis-Lennon Ability Test** published by Pearson, Inc.

Consider these values in achievement testing:

1. Testing can help to verify the quality of your school's academic program.
2. Testing can provide information on annual student and class progress.
3. Testing results are a good public relations tool.
4. Testing can help to determine if students are working at their level of ability.
5. Testing can be of value in class grouping and placement.

AACS member schools receive significant discounts on test materials and may purchase the exact quantities needed. No minimum purchase amounts are required as is usually the case in individual school orders.

If your school is not already doing so, give consideration to testing through the AACS achievement testing program. You will find the value far outweighs the cost.

## RETIREMENT PLAN

*The AACS RightPath Retirement Plan provides participants a convenient way to use pre-tax dollars to save for retirement with the added benefit of tax-deferred income.*

---

### **AACS RightPath Retirement Plan**

The AACS has partnered with PenServ, an independent TPA (Third Party Administrator), to provide the administrative and customer service needs of the Plan.

- PenServ handles all the recordkeeping, plan design, consulting, document preparation, and compliance issues for the AACS Plan.
- PenServ coordinates all participant activity between vendors; monitors IRS limits to eliminate excess deferrals; provides payroll reconciliation tracking data; designs the AACS Plan Document and participant agreements (for different ministry-specific matching or vesting schedules); provides notifications of hardship suspension and reinstatement; administers participant loan agreements; and has a dedicated plan representative for the AACS Plan.
- The PenServ web portal will allow pre-approved access for ministries that want to track and confirm their employee contributions through PenServ to the various fund choices.
- PenServ has established an AACS Administrative Team to assist participating ministries and plan participants. You may reach a member of this team by calling: (803) 354-5005, or (800) 849-4001 ext. 5005, or by email: [rightpath@penserv.com](mailto:rightpath@penserv.com). This team will be available during normal business hours from 8:00 AM to 6:00 PM EDT, Monday - Friday.
- A dedicated team of advisors at Merrill Lynch is responsible for participant education and investment related issues on the RightPath Retirement Plan. Please feel free to contact Jeff Beach or Dan Creps at 877-517-AACS or [jeff\\_beach@ml.com](mailto:jeff_beach@ml.com).

*The Regional Legislative Directors coordinate activity in their regions of the country and encourage action on the local level.*

---

### **Minuteman Alert Team**

Led by the Regional Legislative Directors, those involved in this program are contacted when crucial issues arise. They in turn put into action at the grassroots level the steps necessary to let our voice be heard on Capitol Hill and in the White House.

## STUDENT LEADERSHIP CONFERENCES

*Let AACCS help you train BIBLICAL LEADERS for homes, churches, and your Christian school.*

---

### **Why Attend?**

These regional conferences are designed:

1. To train students to accent the blessings and identify the problems they face as senior high leaders.
2. To discuss how students can praise the good and confront the evil in their schools.
3. To apply God's principles in life situations.
4. To have leadership sessions, daily "God & I" times, school strategy meetings, and case studies of real-life situations.

### **Who Attends?**

The conference is an intense training time for students in grades 10-12. Mature ninth grade students can be included upon the school administrator's approval. It is vital for key adult leadership to attend as sponsors to oversee their groups' strategy sessions.

### ***Looking for the Leaders Conference***

*Looking for the Leaders* conferences are available for students in grades 7-12. These one-day conferences are for an individual school or several schools meeting together.

**If you are going to make a difference, you have to be different!**

Visit [www.slinfo.org](http://www.slinfo.org) for conference information, regional and local conference schedules, leadership resources, and more.
