

The *Parent Update* is a great way to keep the message of Christian education in front of your parents.

The *Parent Update* is a monthly publication of the American Association of Christian Schools. For more than 25 years, this publication has encouraged parents nationwide to embrace Christian education for their children.

This four-page, 5 1/2" x 8 1/2" size newsletter provides schools with an excellent avenue to present timely messages on Christian education to parents. The cost of providing the *Parent Update* to your parents is minimal when compared to the benefits your school and parents will receive from this very informative publication.
