

New Manual—A new AACS Competition Manual (2020 edition) will govern National Competition 2021–2025. There were many changes made. Be sure to purchase the manual for your school and carefully review it. State competitions often operate under different rules. Competitors must follow current Nationals rules and use the current AACS judging forms at Nationals.

In addition to reviewing the rules in the new AACS Competition Manual, review the Significant Changes document.

Refer to the AACS website and the National Competition Manual (2020 edition) for information regarding purchasing competition Bibles, instruments available at the host site, Extemporaneous Speaking references, Spelling study lists, online academic testing, and other important information.
